The Valley County Road Superintendent hereby grants permission to place, construct, and thereafter maintain an approved access road at the above location.

1. Driveway/approaches must be built per attached figure (# 200).
2. Driveways should not exceed eight percent **(8%)** grade and have a minimum of a fifty-foot (50') plus/minus four percent **{+/-4%)** runout. Per Valley County Ordinance 6-1-9.
3. Above ground fixtures shall be located off the road right-of-way or on the right-of-way line.
4. All trenches and other excavations shall be carefully backfilled in such a manner as to eliminate settlement, and the surface of the ground shall be returned to its original condition.
5. It is understood and agreed that Valley County will not be liable for any costs in connection with the future required relocation of the road improvement.
6. All abandoned approaches/driveways shall be reclaimed to their original state at the cost of the applicant and/or its successors.

8. Valley County shall not be liable for damage to said approach resulting from reconstruction or maintenance of the right-of-way. Applicant and/or its successors shall hold the County harmless for injury to persons or damage to property resulting from the location of said approach on county right-of-way. Applicant and/or its successors are responsible for any and all claims of damage, personal injury, or bodily injury that might result from their activities on any existing road in Valley County. Furthermore, the applicant and/or its successors agree to indemnify and hold harmless Valley County for any and all claims of damage, either personal injury or property or any type of claim for damages of any nature whatsoever, whether valid or invalid, that is made against Valley County on account of the activities conducted by the applying company and/or its successors on the construction of said approach.

9. Applicant and/or its successors shall promptly remove said approach from county right-of-way or shall relocated or adjust said approach, at its sole cost and expense when requested to do so by the county. The applicant and/or its successors shall be responsible to pay for all costs of moving, relocation, or reconstruction of the said approach, should Valley County deem it necessary or advisable, in its sole discretion, to repair or reconstruct the existing road. Should the applicant and/or its successors fail to take necessary steps to relocated or reconstruct its approach, the County may take steps to have the same accomplished, and the applicant agrees to reimburse the County for all expenses incurred in moving, relocating, or reconstruction of the approach so the existing roads may be repaired or reconstructed.

10. If at any time Valley County wants to excavate in this area and if it should require the said approach to be moved, it will be at the expense of the applicant and/or its successors.

11. Applicant and/or its successors shall repair or replace public road structures and appurtenances, and any existing facilities located on, over, or under public right-of-way which may be damaged as a result of the installation and maintenance of said approach.

12. Any other road construction activity beyond a driveway (e.g. utility work, trenching) must have a "Construction in County Right-of-Way" permit.
